Dear BTF-Wholesale Customers,

Goderie's Tree Farm/BTF-Wholesale will be hosting the "Third Annual Supplier's Open House" on Saturday, September 18th 2010. There will be many industry-related suppliers demonstrating their equipment and products as well as delivering pre-ordered supplies. Exhibitor demonstrations are anticipated on pruning, mowing, spraying, wreath, and kissing ball making, as well as customer pick ups.

Four wreath and kissing ball making classes (seminars) will be held through out the day and a pesticide recertification courses worth 1 credit will be held. **PRE-REGISTRATION IS REQUIRED FOR RECERTIFICATION CREDITS.** Updated topics to be covered, as well as suppliers attending this show, will be available on line at www.goderiestreefarm.com or www.btf-wholesale.com. And will be updated weekly.

BTF Wholesale will be offering a 10% discount for all registered attendees (cash & carry) on all orders picked up and paid for at the show, pre-orders are welcome.

Dry Camping will be available at no cost at the Farm, advanced notification would be appreciated. The Johnstown Holiday Inn (518) 762-4686, will have discounted room rates for attendees, mention Goderie's Tree Farm Open House.

If you have trees or brush to buy or sell, this will be a great time to make those connections, especially this year with the vast amount of freeze damage from the 2010 spring. Let us know in advance and we will add you to our master list. We do not get involved with prices or quality; we just try to put the right parties together.

Food and beverages will be available a la carte from 11:30-1:00. Please call, fax or e-mail to pre register.

Thanks,
Pete and Mike Goderie
